SOFT CLEAN PINK PEARLISED HAND SOAP

-  Floral Fragrance
-  Non-foaming
-  Powerful Formula

Description:

ProJanta Soft Clean Pink is a gentle hand wash lotion formulated to clean and condition the skin, leaving hands feeling fresh, comfortable and well cared for after use. Its pearlised formula produces a mild, rich foam in both hard and soft water without leaving soap scum, making it suitable for regular handwashing in a wide range of washroom and workplace environments. pH balanced to complement the skin's natural condition, it is designed to provide effective cleansing while remaining pleasant and comfortable in frequent use.

Supplied as a pink, pleasantly fragranced liquid, it is available in packs of 6 x 1 litre bottles or a 5-litre bulk container.

Useful Information:

| | |
|--------------------|--------------|
| Product Code: | 1417 / 1405P |
| Product Colour: | Pink |
| Product Fragrance: | Floral |
| pH Level: | 5 - 8 |
| Also available in: | 1L, 5L |

Directions:

Soft Clean Pink should be used undiluted through a suitable hand soap dispenser. Dispense a small amount onto wet skin, add water and work into a rich lather, ensuring thorough coverage of the hands before rinsing away completely with clean water.

The gentle, pH-balanced formula is designed for regular hand washing, helping to clean and condition the skin while leaving hands feeling clean and refreshed. Suitable for use in washrooms and hygiene stations, particularly where a mild, conditioning hand wash is required.

After use, keep the container tightly closed and store in a cool, well-ventilated area.
