

## SAFETY DATA SHEET

### AST & GREAVES BLACK PEPPER & GINSENG LUXURY HAND WASH

This SDS is not mandated under the REACH etc. (Amendment etc.) (EU Exit) Regulations 2020 No. 1577 and is provided for information only.

#### SECTION 1: Identification of the substance/mixture and of the company/undertaking

##### 1.1. Product identifier

|                         |                                                       |
|-------------------------|-------------------------------------------------------|
| Product name            | AST & GREAVES BLACK PEPPER & GINSENG LUXURY HAND WASH |
| Internal identification | AG-BPG-6X500                                          |
| Container size          | 500mL                                                 |

##### 1.2. Relevant identified uses of the substance or mixture and uses advised against

|                 |               |
|-----------------|---------------|
| Identified uses | Hand cleaner. |
|-----------------|---------------|

##### 1.3. Details of the supplier of the safety data sheet

|          |                                                                                                                                         |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Supplier | Cleenol Group Ltd<br>Neville House<br>Beaumont Road<br>Banbury<br>Oxon OX16 1RB<br>UK<br>Tel: +44 (0)1295 251721<br>sales@cleenol.co.uk |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------|

##### 1.4. Emergency telephone number

|                     |                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------|
| Emergency telephone | In case of a medical emergency following exposure to a chemical, call NHS Direct via 111 (UK only). |
|---------------------|-----------------------------------------------------------------------------------------------------|

#### SECTION 2: Hazards identification

##### 2.1. Classification of the substance or mixture

###### Classification (SI 2019 No. 720)

|                       |                |
|-----------------------|----------------|
| Physical hazards      | Not Classified |
| Health hazards        | Not Classified |
| Environmental hazards | Not Classified |

##### 2.2. Label elements

|                   |                   |
|-------------------|-------------------|
| Hazard statements | NC Not Classified |
|-------------------|-------------------|

|                 |                                                                                                                                                                                                                                                                                                                                                    |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Labelling notes | As per Article 2.6 of the REACH Regulation (EC) No 1907/2006, the requirement to provide the recipient of a substance or mixture with a Safety Data Sheet (SDS) does not apply to cosmetic products as defined in the Cosmetic Products Regulation (EC) No 1223/2009 (CPR). This data sheet is therefore provided for informational purposes only. |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

##### 2.3. Other hazards

#### SECTION 3: Composition/information on ingredients

##### 3.2. Mixtures

|                      |                                                    |
|----------------------|----------------------------------------------------|
| Composition comments | None of the ingredients are required to be listed. |
|----------------------|----------------------------------------------------|

# AST & GREAVES BLACK PEPPER & GINSENG LUXURY HAND WASH

## SECTION 4: First aid measures

### 4.1. Description of first aid measures

|              |                                                                                                              |
|--------------|--------------------------------------------------------------------------------------------------------------|
| Inhalation   | Due to the physical nature of this product, exposure by this route is unlikely.                              |
| Ingestion    | Rinse mouth thoroughly with water.                                                                           |
| Skin contact | Not applicable - this product is safe for regular application to the skin.                                   |
| Eye contact  | Rinse cautiously with water for several minutes. Get medical attention if irritation persists after washing. |

### 4.2. Most important symptoms and effects, both acute and delayed

|              |                                                                                |
|--------------|--------------------------------------------------------------------------------|
| Inhalation   | The product is not believed to present a hazard due to its physical nature.    |
| Ingestion    | No harmful effects expected from quantities likely to be ingested by accident. |
| Skin contact | Skin irritation should not occur when used as recommended.                     |
| Eye contact  | May cause temporary eye irritation.                                            |

### 4.3. Indication of any immediate medical attention and special treatment needed

|                      |                              |
|----------------------|------------------------------|
| Notes for the doctor | No specific recommendations. |
| Specific treatments  | Treat symptomatically.       |

## SECTION 5: Firefighting measures

### 5.1. Extinguishing media

|                                |                                                                                               |
|--------------------------------|-----------------------------------------------------------------------------------------------|
| Suitable extinguishing media   | The product is not flammable. Use fire-extinguishing media suitable for the surrounding fire. |
| Unsuitable extinguishing media | None known.                                                                                   |

### 5.2. Special hazards arising from the substance or mixture

|                  |             |
|------------------|-------------|
| Specific hazards | None known. |
|------------------|-------------|

### 5.3. Advice for firefighters

|                                               |                                                                                                                                                         |
|-----------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Protective actions during firefighting        | Avoid breathing fire gases or vapours.                                                                                                                  |
| Special protective equipment for firefighters | Use protective equipment appropriate for surrounding materials. Firefighter's clothing will provide a basic level of protection for chemical incidents. |

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

|                      |                                                                                                                                  |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Personal precautions | Avoid contact with eyes. Do not touch or walk into spilled material. Take care as floors and other surfaces may become slippery. |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------|

### 6.2. Environmental precautions

|                           |                                   |
|---------------------------|-----------------------------------|
| Environmental precautions | Avoid release to the environment. |
|---------------------------|-----------------------------------|

### 6.3. Methods and material for containment and cleaning up

|                         |                                                                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Methods for cleaning up | Wipe up with an absorbent cloth and dispose of waste safely. Flush contaminated area with plenty of water. Wash thoroughly after dealing with a spillage. |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|

### 6.4. Reference to other sections

|                             |                                     |
|-----------------------------|-------------------------------------|
| Reference to other sections | For waste disposal, see Section 13. |
|-----------------------------|-------------------------------------|

# AST & GREAVES BLACK PEPPER & GINSENG LUXURY HAND WASH

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

Usage precautions                      Avoid contact with eyes.

### 7.2. Conditions for safe storage, including any incompatibilities

Storage precautions                      Keep only in the original container in a cool, well-ventilated place.

### 7.3. Specific end use(s)

Specific end use(s)                      The identified uses for this product are detailed in Section 1.2.

## SECTION 8: Exposure controls/Personal protection

### 8.1. Control parameters

Ingredient comments                      No exposure limits known for ingredient(s).

### 8.2. Exposure controls

Protective equipment

Eye/face protection                      Not relevant.

Hand protection                          The product is for use on the skin

Respiratory protection                      Not relevant.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

Appearance                                  Coloured liquid.

Colour                                          Amber.

Odour                                          Earthy/Pepper

pH                                                  pH (concentrated solution): 7.8

Relative density                                  ~ 1.024 @ 20°C

Viscosity                                          4500 cP @ 20°C

### 9.2. Other information

Refractive index                                  12.8

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

Reactivity                                          There are no known reactivity hazards associated with this product.

### 10.2. Chemical stability

Stability                                          Stable at normal ambient temperatures.

### 10.3. Possibility of hazardous reactions

Possibility of hazardous reactions                      No potentially hazardous reactions known.

### 10.4. Conditions to avoid

Conditions to avoid                                  No specific requirements are anticipated under normal conditions of use.

# AST & GREAVES BLACK PEPPER & GINSENG LUXURY HAND WASH

## 10.5. Incompatible materials

**Materials to avoid** None known.

## 10.6. Hazardous decomposition products

**Hazardous decomposition products** Does not decompose when used and stored as recommended.

## SECTION 11: Toxicological information

### 11.1. Information on toxicological effects

**Toxicological effects** Information given is based on data of the components and of similar products.

**Inhalation** The product is not believed to present a hazard due to its physical nature.

**Ingestion** No harmful effects expected from quantities likely to be ingested by accident.

**Skin contact** Skin irritation should not occur when used as recommended.

**Eye contact** May cause temporary eye irritation.

## SECTION 12: Ecological information

**Ecotoxicity** Not regarded as dangerous for the environment.

### 12.1. Toxicity

**Toxicity** The product is not believed to present a hazard due to its physical nature.

### 12.2. Persistence and degradability

**Persistence and degradability** The product is biodegradable.

### 12.3. Bioaccumulative potential

**Bioaccumulative potential** Bioaccumulation is unlikely.

### 12.4. Mobility in soil

**Mobility** Soluble in water.

### 12.5. Results of PBT and vPvB assessment

**Results of PBT and vPvB assessment** This product does not contain any substances classified as PBT or vPvB.

### 12.6. Other adverse effects

**Other adverse effects** None known.

## SECTION 13: Disposal considerations

### 13.1. Waste treatment methods

**General information** Care should be taken when handling emptied containers that have not been thoroughly cleaned or rinsed out.

**Disposal methods** Dispose of waste product or used containers in accordance with local regulations Following dilution, discharge to the sewer with plenty of water may be permitted.

## SECTION 14: Transport information

**General** The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, ADR/RID).

### 14.1. UN number

Not applicable.

# AST & GREAVES BLACK PEPPER & GINSENG LUXURY HAND WASH

## 14.2. UN proper shipping name

Not applicable.

## 14.3. Transport hazard class(es)

No transport warning sign required.

## 14.4. Packing group

Not applicable.

## 14.5. Environmental hazards

Environmentally hazardous substance/marine pollutant

No.

## 14.6. Special precautions for user

Not applicable.

## 14.7. Transport in bulk according to Annex II of MARPOL and the IBC Code

Transport in bulk according to Not applicable.

Annex II of MARPOL 73/78  
and the IBC Code

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### EU legislation

Regulated by EU Directive 76/768/EEC (as amended) and Regulation EC 1223/2009 (as amended), therefore, as a cosmetic product is exempt from the requirements of Regulation (EC) No. 453/2010 and Regulation (EC) No. 1272/2008.

### 15.2. Chemical safety assessment

A chemical safety assessment has been carried out.

## SECTION 16: Other information

#### Issued by

Regulatory Chemist

#### SDS number

21732
