

Product Description

The Scotch-Brite™ Brown Floor Pad is a premium-quality floor maintenance stripping pad, made of high-quality synthetic fibre, in an open-textured non-woven construction.

Abrasive particles are dispersed throughout and bonded with a durable adhesive. Each floor pad has a pre-cut center hole.

Applications

The Scotch-Brite™ Brown floor pad should be used for wet stripping operations with any conventional stripping solution.

It can also be used with an automatic scrubber-dryer to maintain heavily soiled industrial floors.

Features and benefits

- Large size fibre mix, for effective wet stripping
- Open web construction for longer coverage from each side and easy washing
- Flexible pad for easier washing after use
- Consistent performance
- Durable pad at work

Standard Size

Circular discs are available in a variety of common sizes.

Packaging and Marking

Each carton shall be labelled to identify the contents by product name, size, quantity, and manufacturer. Each pad shall be printed with the black “Scotch-Brite™” logo.

Characteristics

The values displayed are the results of illustrative lab test measures and shall not be considered as a commitment from 3M.

Characteristics	Value
Fiber type	Polyester
Weight	2300 g/m ²
Outer diameter dimensions	Designated Size ± 1.6 mm
Thickness	Approximately 28 mm
Aggressiveness	Schiefer value = 2.0
Color	Brown
Packaging Recycled Content	50 – 100% recycled content

Directions for Use

For wet stripping

Install under the machine pad holder.

1. Apply the stripping solution on the section of the floor to strip
2. Allow to stand for 5 - 10 minutes (according to stripping chemical instructions)
3. Strip the floor with the floor machine (adding water to keep the floor wet)
4. Pick up the dirty solution and rinse the stripped floor twice with clear water
5. Remove the pad and wash it

Maintenance of the Pad

1. Remove the pad from the machine after each use.
2. Wash and rinse under tap water or spray water, or keep pads soaked in diluted stripping solution to dissolve residues of dirt. Avoid dirty pads from drying before washing.
3. Rinse and hang up to dry.

Note: Do not machine wash!

Storage Conditions and Shelf Life

Storage conditions: +4°C to +40°C, out of sunlight, original container in a clean and dry indoor area.

Health and Safety

When handling any chemical products, read the manufacturer's container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information.

[Follow the link to obtain SDS sheets for 3M products on 3M.com/SDS.](#)

[Follow the link to obtain information about substances of very high concern \(SVHC\).](#)

IMPORTANT!

- When using any equipment, always follow the manufacturer's instructions for safe operation.
- This floor pad is for professional or industrial use only.

DANGER

To reduce the risks associated with inhalation of or exposure to contaminants:
DO NOT use this product on any asbestos-containing material.

WARNING

To reduce the risks associated with inhalation of or exposure to contaminants:

- Ensure this product is used in the recommended applications with the suggested equipment.
- Do not allow this product to be used by untrained operators.
- Always follow standard safety practices, including wearing appropriate protective apparel and eye protection, while using this product.

To reduce the risks associated with environmental contamination:

- Dispose of waste and slurries generated from wet polishing in accordance with all applicable local and government regulations.

CAUTION

The product is intended for wet floor maintenance processes only. DO NOT use this product in any dry application.

Warranty Information

Limited Remedy

This bulletin provides technical information only. 3M recommended product end uses are listed in each 3M product bulletin. End uses not listed in the applicable 3M Product Bulletins are typically not eligible for 3M Warranties. For non-recommended and/or non-warranted end uses or applications, users must test and approve the end uses or applications, assume any associated risks, and acknowledge that 3M has no liability for such end uses or applications. Please contact your 3M representative with any questions about applications, end uses, and warranties.

Limitations of liability

All questions of warranty and liability relating to this product are governed by the terms and conditions of the sale, subject, where applicable, to the prevailing law.
