

G20<sup>B</sup>

Commercial  
walk-behind floor  
scrubber dryer

For small to medium-sized indoor areas

EDUCATION / HEALTHCARE / OFFICE

# G20<sup>B</sup>

## Sectors

Our G20<sup>B</sup> floor scrubber is specifically designed for efficiently cleaning compact and small spaces. This compact, walk-behind machine offers up to 3 hours of continuous use on a single charge, ensuring good productivity.

The G20<sup>B</sup> makes it easy to clean medium areas in less time— and is efficient in narrow or tight spaces. This powerful combination of features maximises both productivity and cleaning efficiency for any space.

Schools & Universities

Hospitals

Airport

## Features & Benefits

### Compact size and flexible to operate

Can be used in high footfall areas safely.

### Ergonomic handle, comfortable and convenient

The adjustable handle provides user comfort during operation.

### Intelligent brush disc speed

The brush gradually accelerates to protect the floor's finish and extend the brush's lifespan by reducing unnecessary wear.

### Super endurance

Fantastic runtime of up to 3-hours

### High Cleaning Efficiency

35 kg of brush pressure delivers effective force to remove dirt, the wide squeegee collects waste water with ease.

### ECO Mode, More Sustainable

Reduce the running noise in Eco mode, great for use in environments where low noise is paramount.

## Specifications

### G20<sup>B</sup>

Working width	430mm
Squeegee width	780mm
Efficiency	1845m/h
Brush pressure	35Kg
Brush RPM	180rpm
Brush motor	DC24V/550W
Vacuum motor	DC24V/400W
Solution tank	35L
Recovery tank	40L
Dimension	1150*490*1100mm
Battery	12V*2
Equipment weight	53Kg

Cleaning spaces *with ease*
