

QPB5L - Thick Bleach

INFORMATION SHEET

USE:

Quattro Thick Bleach 5L offers long-lasting sanitising power for toilets, urinals, drains, and sinks. Its thick formula ensures extended surface contact, killing germs and eliminating odours effectively. Ideal for professional or home use in high-demand hygiene environments.

DIRECTIONS:

Simply pour neat around toilet bowls or into urinals (after flushing) for thorough sanitisation. For drains and sinks, apply directly to the affected area to destroy odour-causing buildup.

TECHNICAL:

Appearance: Pale yellow liquid

Odour: Faintly chlorinous

Solubility: Soluble

PH Value Cons: 12.7

PH Value Diluted: N/A
